7th Celebration of the Independence of Kosovo

It is with pleasure that I offer my greetings and best wishes to the thousands of individuals of Kosovan ancestry who have chosen to make Ontario their home. This vibrant community has enriched and continues to contribute every day to the richness of the Canadian mosaic. It is important for young generations to know their background, and tonight provides a wonderful opportunity to discover one's roots and learn about one's traditions and culture.

Congratulations to the organizers who have made this event possible. My best wishes for a very successfully evening.

All the best.

Sincerely,
